Image Only

Contract Bridge Score Pads Personalized – 4 1/4" x 8 1/4"

Fill the area with a 3.75" x 1.25" image or graphic. Any other size is okay but will center proportionally.

An image in a **jpg** format needs to be at least 300 dpi.

A graphic needs to be a vector graphic in an **eps** format. Any type (font) in the graphic needs to be converted to outlines. In other words, convert fonts into graphics too. The artwork must smoothly expand or contract if the size is other than previously mentioned.

Sample of Image Only

Vector Graphic

This type of graphic (**eps**) can be made in programs like *Adobe Illustrator* or *Corel Draw*. The type (font) in this example was selected and converted to outlines.

This graphic expanded to fit the space proportionally with the height maxing out first.

Image and Text

Contract Bridge Score Pads Personalized – 4 1/4" x 8 1/4"

Fill the image area with a 1.375" x 1.25" image or graphic. Any other size is okay but will center proportionally.

An image in a **jpg** format needs to be at least 300 dpi.

A graphic needs to be a vector graphic in an **eps** format. Any type (font) in the graphic needs to be converted to outlines. In other words, convert fonts into graphics too. The artwork must smoothly expand or contract if the size is other than previously mentioned.

Double-check the proof to ensure that all copy, bottom especially, is showing.
